Attention: Mr. Ettebar Khan Zadran
Mr. Rahim Khan Zadran

Subject: Confirmation of current subcontracts Zadran Group of Companies.

Dear Friends at Zadran:

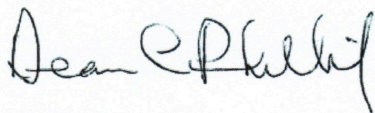

I am more than happy to give your company a glowing recommendation in return for the fine services that you have provided Innovative Technical Solutions, Inc (ITSI) in support of our Mission in Afghanistan, under our U.S. Government, United States Air Force, and AFCEE contract FA8903-06-D-8513.

The services that you have provided and continue to provide for the life support of the ITSI mission have allowed us to continue our construction mission. You have provided subcontracts services for generator support, maintenance servicing, fuel service and electrical services. Your company is also included in our regular bid list for other projects consideration.

Zadran has been pleasure to work with and has given us the support and streamlining of processes throughout our contractual relationship. It has been a very good relationship. We have continued to test the market for more dependable services and have repeatedly found Zadran to be the best value, very easy to work with and very accommodating to our needs.

Please feel free to use my name and contact information for references to expand your good services to other U. S. Government prime contractors. I am sure you will provide them the fine services and support that you now provide to us.

Best Regards,

Dean Phillips
